FOR IMMEDIATE RELEASE

Sedgwick County Health Department to Take Part in National Spit Tobacco Education Program Event

(Sedgwick County, Kansas) The Sedgwick County Health Department will co-host the National Spit Tobacco Education Event at Lawrence Dumont Stadium on August 2- 3.

The purpose of this event is to raise awareness of the dangers and consequences of spit tobacco use and to break the link between it and baseball. The Sedgwick County Health Department will be sponsoring an interactive booth, baseball trivia, that will help teach the dangers of tobacco.

"The Health Department is partnering with the American Cancer Society to host this event," said Sedgwick County Commissioner Betsy Gwin. "As a cancer survivor, I am glad that the Sedgwick County Health Department can play a part in this event to spread the word about the dangers of tobacco use."
